Sinnin' I've done my share of this
Still hope the lord forgive me my sins
Ten years ago down by the lake
I saw my sweet love, her watery grave
I close my eyes, still see her face
I'd give my soul to take back that day

Hello again, it's been too long,
Too long, too long, hello again
You know you got what it is I want
Anyway (could be "In a way") I'm gonna take it from
you
Hello you know you got what it is I want
Any way I know I'm gonna take it from you
Hello, Hello, you know, Hello Again

It's like a note you got to never dance, man'?)
Over and over, I'm gonna see her face
Like inside my soul together with me
Over and over, I'm gonna see her face
Blown away, on that day

(Dave talks in the background)
I am a waste of the flesh on my bones
I am a waste of the air in my lungs
So go far from me, man, go and be saved
This serpent, not God, that crawls through my veins
Here we go

Hello again, it's been too long,
Too long, too long, hello again
You know you got what it is I want
Anyway (could be "In a way") I'm gonna take it from
you
Hello you know you got what it is I want
Any way I know I'm gonna take it from you
Hello, Hello, you know, Hello Again

A truck load got set on me man
Over and over I'm gonna see her face
The scum in me likes the devils scheme here
Over and over I'm gonna see her face

Blown away, on that day, yeah, I am
Hello, you know, Hello, Hello Again
You know you got what it is I want
Anyway you know, my love, I'm gonna take it from you
Hello, you know, Hello, Hello again
