Well I said with all this scatter going on
Lock the door with the television on
Staring blankly at the screen the way you do
I keep ya there and your money too
If you all line up inside here
Do what I tell you and everything'll be okay
And if you're lost I got a Bobble-Head Jesus
Get on your knees and that Jesus'll please ya

Money is clean cause we scrub it good
With guns and gasoline we could save the world
Nothing's obscene if we only close our eyes
Boys and Girls welcome to this Joy Ride

Come on, all of you won't have to lie
Get in line and everything'll be fine
We gotta toss our troubles to the wind
We'll beat um all like we did in the end

Money is clean cause we scrub it good
With guns and gasoline we're gonna save the world
Nothing's obscene if we only close our eyes
Boys and Girls welcome to this Joy Ride

Scatting
Gotta leave us some chance to get by
Taking everything into account the way you should
Light it up light it up cause it'll be so good

Well
Yea
Yea
Oh
All of us praying now
Yea
Yea
Oh
All of us playing now

Scatting

Money is clean cause we scrub it good
With guns and gasoline we're gonna save the world
Nothing's obscene cause we only close our eyes
Boys and Girls welcome to this Joy Ride
Joy Ride
Joy Ride
Joy Ride
