Like a dog with the television on
Staring blankly at the screen the way you do
I'll keep you there and your money too

If you all line up inside of here
Do what I tell ya and everything will be okay
And if you're lost, I got a bobblehead Jesus
Get on your knees, that Jesus will please ya'

Money is clean if we scrub it good with
Guns and gasoline, I'm gonna save the world
Nothing's obscene if we only close our eyes
Boys and girls welcome to this joy ride

Come on all of you wont left alive
Get in line and everything will be fine
We gotta toss our troubles to the wind
We need 'em like we did in the end

Money is clean if we scrub it good with
Guns and gasoline, I'm gonna save the world
Nothing's obscene if we only close our eyes
Boys and girls welcome to this joy ride
Joyride, joyride, joyride

[scatting]
Taking everything into account the way you should
Light it up, light it up cuz it be so good

Woah, Yeah, Oh, all of us praying now
Now, Yeah, Yeah, all of us praying now
What you got [scatting]..always fade away

Money is clean if we scrub it good with
Guns and gasoline, I'm gonna save the world
Nothing's obscene if we only close our eyes
Boys and girls welcome to this joyride
Joyride, joyride, joyride
