Spring sweet rhythm dance in my head
Slip into my lover's hands
Kiss me oh won't you kiss me now
And sleep I would inside your mouth

Don't be us too shy
For knowing it's no big surprise
That I will wait for you
I will wait for no one but you

Oh please lover lay down
Spend this time with me
Together share this smile
Lover lay down
Spend this time with me

Walk with me, walk with you
Hold my hands, your hands
So much we have dreamed
And we were so much younger
Hard to explain that we are stronger

A million reasons life to deny
Let's toss them away
See you and me we
Lay down look see
She and he
By my lover's side
Together share this smile
Each other's tears to cry
Together share this smile
Lover lay down

Oh please
Look please lover lay down
Oh please lover lay down
And you weep
Lover lay down
Cause it's over
Lover lay down
Say love, say love, say love, say love, say love
Could I love you

Could you love me (x4)
Darling it's
All the same (4x)
'Til we dance away (4x)
Chasing me all around
Leading me all around in circles
Chasing me all around
Leading me all around in circles
Say...
