Bring that beat back to me again
Take me back, take me back, can't catch me can't
catch me
Bring that beat back to me again
Take me back, take me back, can't catch me, can't
catch me

Ride my bike down that old dirt hill (can't catch me)
First time without my trainin' wheels
First time I kissed you I lost my legs (can't catch me)
Bring that beat back to me again

Scream and shout out loud our innocence
Days when all we did would never end

Bring that beat back to me again
Take me back, take me back, can't catch me can't
catch me
Bring that beat back to me again
Take me back, take me back, can't catch me can't
catch me

Smokin' on the railroad bridge
I used to ride my bike down that old dirt hill
The first time I kissed you I lost my legs
Bring that beat back to me again

Scream and shout out loud our innocence
Days when all we did would never end

Screamin' down that old dirt hill
Bring that beat back to me again

Oh when it gets hard
That's when the days I remember seem so far
When I was just a kid that's what I miss
When I was just a kid that's what I miss
Take me back, Take me back to that beat again

Smokin' on the railroad bridge
Bring that beat back to me again (again)

Bring that beat back to me again (can't catch me)
Bring that beat back to me again
First time all we were was good friends
Bring that beat back to me again
Bring that beat back to me again
Bring that beat back to me again (can't catch me)
Bring that beat back to me again
Bring that beat back to me again
Bring that beat back to me again
