Oh, isn't it strange  
How we move our lives for another day?  
Like skipping a beat  
What if a great wave should wash us all away?  
Just thinking out loud  
Don't mean to dwell on this dying thing  
But look at my blood  
It's alive right now,  
And deep and sweet within  
Pouring through our veins  
Intoxicate moving wine to tears  
And drinking it deep  
Then an evening spent dancing  
It's you and me...

This love will open our world  
From the dark side we can see a glow of something  
bright  
Oh, there's much more than we see here  
Don't burn the day away

Is this not enough?  
This blessed sip of life,  
Is it not enough?  
Staring down at the ground  
Oh, then complain and pray for more from above,  
You greedy little pig  
Stop, just watch your world trickle away  
Oh, it's your problem now  
It'll all be dead and gone in a few short years

Just love will open our eyes  
Just love will put the hope back in our minds  
Much more than we could ever know  
Oh, so don't burn the day away  
Don't burn the day away

Come sister, my brother  
Shake up your bones, shake up your feet  
I'm saying open up  
And let the rain come pouring in  
Wash out this tired notion

That the best is yet to come  
But while you're dancing on the ground  
Don't think of when you're gone

Love, love, love, what more is there?  
'Cause we need the light of love in here  
Don't beat your head  
Dry your eyes  
Let the love in there  
There's bad times  
But that's okay  
Just look for love in it

And don't burn the day away...

Look, here are we  
On this starry night, staring into space  
And I must say  
I feel as small as dust lying down here

What point could there be troubling?  
Head down wondering what will become of me?  
Why concern "WHAT" we cannot see  
But no reason to abandon it  
The time is short but that's all right  
Maybe I'll go in the middle of the night  
Take your hands from your eyes, my love  
All good things must come to an end some time  
But don't burn the day away  
Don't burn the day away...

Come sister, my brother  
Shake up your bones, shake up your feet  
I'm saying open up  
And let the rain come flooding in  
Wash out this tired notion  
That the best is yet to come  
But while you're dancing on the ground  
Don't think of when you're gone

Love, love, love, what more is there?  
'Cause we need the light of love in here  
Don't beat your head  
Dry your eyes  
Let the love in there  
There're bad times  
But that's okay  
Just look for love in it
