I say my hell is the closet I'm stuck inside
Can't see the light
And my Heaven is a nice house in the sky
Got central heating, and I'm alright
Yeah, yeah, yeah
Can't see the light
Keep it locked up inside
Don't talk about it
T-t-talk about the weather

Yeah, yeah, yeah
Can't see the light
Open up my head and let me out, little baby
'Cause here we have been standing for a long, long
time
Treading trodden trails for a long, long time

I say my hell is the closet I'm stuck inside
Can't see the light
And my Heaven is a nice house in the sky
Got central heating and I'm alright
'Cause here we have been standing for a long, long
time
Treading trodden trails for a long, long time
Time, time, time, time, time, time

I find sometimes it's easy to be myself
Sometimes I find it's better to be somebody else

I see you young and soft, oh little baby
Little feet, little hands, little feet, little feet, little baby
One year of cryin' and the words creep up inside
Creep into your mind, yeah

So much to say, so much to say, so much to say, so
much to say
So much to say, so much to say, so much to say, so
much to say

'Cause here we have been standing for a long, long
time
Treading trodden trails for a long, long time

Time, time, time, time, time, time

I find sometimes it's easy to be myself
Sometimes I find it's better to be somebody else

So much to say, so much to say, so much to say, so
much to say
So much to say, so much to say, so much to say, so
much to say
So much to say, so much to say, so much to say, so
much to say
So much to say, so much to say, so much to say, so
much to say

Open up my head and let me out, little baby
