Probably get it wrong much as I get it right
But I got it Right woman when I caught your eye
I remember most about that night
Is I loved the way you moved baby
(yes I love the way move baby, love the way you move
baby)

Mmm I like most liquor but I don't like gin,
I don't always like the skin I'm in,
But when I get it wrong I gotta start again
Still I love the way you love me baby
And I love the way you move (way you love me baby)
I love the way you move

All the freaks are on parade
I wanna fill my belly
So I gotta get paid
Doesn't everybody deserve to have the good life,
But it don't always work out,
We'll cry cry baby if we must but,
Just remember,
Oh remember,
I love the way you love me baby
And I love the way you move

Not all bad but I'm a faithful sinner
I might get lost,
But I'll be home for dinner
If god don't like me he can send me to hell,
But I love the way you love me girl
I love the way you move

I prayed to Heaven to keep my place,
But I looked in the mirror
Saw the Devil's face,
And I'd be a dog for a tail to chase,
But I love the way you kiss me baby,
And I love the way you talk baby,
You move, love the way you move but,

All the freaks are on parade

I wanna fill my belly
So I gotta get paid
Doesn't everybody deserve to have the good life,
But it don't always work out,
We'll cry cry baby if we must but,
Just remember,
Just remember,
I love the way you move baby
Oh yea, I love the way you love me baby

Bad days come when the good days gone
Working as hard as the day is long
A working man works when I get home
I love the way you talk baby
Yes I love the way you talk baby

All the freaks are on parade
Wanna fill our belly
So we gotta get paid
Doesn't everybody deserve to have a good life,
But it don't always work out,
And cry cry baby if we must but,
Oh remember,
Oh remember,

All the people are on parade
Thought I saw a spaceman trying to get laid
Doesn't everybody deserve to have the good life,
And it don't always work out,
And cry cry baby if we must but,
Oh remember,
Just remember,
I love the way you love me baby
And I love the way you move
