# Dave Matthews Band And Dave Matthews
## "Stand Up (For It)"

Stand up! Stand up!
Stand up! Stand up!
Stand up!

I woke up to the angels
Singin' in my head
You look so good naked next to me
The angel in my bed

Stand up! Stand up!
Stand up! Stand up!
I feel like a drug is cookin' in my veins
I'm so out of my mind, I'll shoot you up again

Stand up! Stand up!
Stand up! Stand up!
Save my soul
Stand up!

I feel like smoke and fire
Burnin' us all
You drop me in the water
Lift me out, save my soul

Stand up! Stand up!
Stand up! Stand up!
Stand up! Stand up!
Stand up! Stand up!
Stand up!
Some one save my soul

Stand up! (x 42, with gibberish sung throughout)
