Maybe different, but remember  
Winters warm there you and I,  
Kissing whiskey by the fire  
With the snow outside  
And when the summer comes  
The river swims at midnight  
Shiver cold  
Touch the bottom, you and I  
With muddy toes

Stay or leave  
I want you not to go  
But you should  
It was good, as good goes  
Stay or leave  
I want you not to go  
But you did

Wake up naked drinking coffee,  
Making plans to change the world  
While the world is changing us...  
It was good good love.  
You used to laugh under the covers  
Maybe not so often now  
But the way I used to laugh with you  
Was loud and hard

Stay or leave  
I want you not to go  
But you should  
It was good as good goes  
Stay or leave  
I want you not to go  
But you did

So what to do  
With the rest of today's afternoon, hey  
Isn't it strange how we change  
Everything we did  
Did I do all that I should

That I could'a done

Remember we used to dance  
And everyone wanted to be  
You and me  
I want to be too  
What day is this  
Besides the day you left me?  
What day is this  
Besides the day you went?

So what to do  
With the rest of the day's afternoon, hey  
Well isn't it strange how we change  
Everything we did  
Did I do all that I could?

Remember we used to dance  
And everyone wanted to be you and me  
I want to be too  
What day is this  
Besides the day you went babe  
What day is this?  
Besides the day you left me  
What day is this?
