We were walking
Just the other day
It was so hot outside
You could fry an egg.
Remember you were talking
I watched as sweat ran down your face
Reached up and I caught it at your chin
Licked my fingertips

We were just wasting time
Let the hours roll by
Doing nothing for the fun
A little taste of the good life
Whether right or wrong
Makes us want to stay, stay, stay, stay, stay here for
awhile.

Then later on the sun began to fade
Then the clouds rolled over our heads
And it began to rain
Oh, we were dancing mouths open
Splashing tongue taste
For a moment this good time would never end
You and me
You and me
Just wasting time
I was kissing you,
You were kissing me love
From good day into the moonlight
Now a night so fine
Makes us wanna stay, stay, stay, stay, stay for awhile.

Makes you wanna... (two times)
Makes me wanna... (two times)
Don't it make you wanna?

Wasting time
I shall miss this thing
When it all rolls by
What a day...
Wanna stay, stay, stay, stay, stay here for awhile.

Hey love
Oh just groping you
Rolling in the mud
Stay a while
Come on love
Wanna stay, stay, stay, stay, stay for awhile

Makes me wanna, makes me wanna stay...(ten times)

Make you wanna stay...don't it?(eleven times)
