Every night stopping
It's raining
Scary oh
So rage you again
Your
On fire
I one decide to run out
Oh they got off you did
Wonder where you say you knew

Sugar ain't poison
But sugar will kill you
It's too much of a good thing
Maybe not so

I wasn't somebody
No hand out
I give you
I stare back and
Gonna let you out
I wonder what you
All of sad you knew

Sugar ain't poison
But sugar will kill you
Too much of a good thing
Maybe not so

You did what you thought was fitting baby
Dreams about oh what is sunning you
Oh baby
I hung up my package
Never no never you knew

Sugar ain't poison
But sugar will kill you
Too much of a good thing
Maybe not so sweet
