Big dog bites the bone  
Life's too short to take all this  
Not true when what's more:  
Life's too short to mind  
Just keep on with  
The Sweet Up and Down

Unturning her cheek  
Inside-out, her neat little pose  
Dirty, little girl  
Climbs out of the hole in her own  
In this Sweet up and Down

I believe in love  
But believe it's my heart that keeps turning me down  
I believe in love  
I think it's just fine  
Oh, the Sweet up and Down

Big pig turns to me  
Pig he needs to eat like us all  
Not far from the beast  
Man sits down to feast on this part  
Of the Sweet up and down

I believe in love  
And believe it's my heart that keeps turning me down  
I believe in love  
I think it's just fine  
On the Sweet up and Down  
BT...

Up and down, inside out  
Outside in some you lose some  
You win for us all  
Up and down we go  
Bad times choke us all once or twice  
On this Sweet up and Down

I believe in love  
But think nothing about it when you're not around  
I believe in love

I think you're just fine  
On the Sweet up and Down

I believe in love  
But believe in my heart that keeps turning me down  
I believe in love  
I think you're just fine  
On the Sweet up and Down...
