We were above  
You were standing underneath us  
We were not yet lovers  
Dragons were smoked  
Bumblebees were stinging us  
I was soon to be crazy

Eat, drink, and be merry  
For tomorrow we die  
Eat, drink, and be merry  
For tomorrow we die  
'Cause we're Tripping Billies

We're wearing nothing  
Nothing but our shadows  
Shadows falling down on the beach sand  
Remembering once,  
Out on the beaches we wore  
Pineapple grass bracelets

So why would you care  
To get out of this place  
You and me and all our friends  
Such a happy human race

'Cause we're Tripping Billies

We are all sitting  
Legs crossed round a fire  
My yellow flame she dances  
Tequila drinking, oh, our  
Minds will wander  
To wondrous places

So why would you care  
To get out of this place  
You and me and all our friends  
Such a happy human race

Eat, drink, and be merry  
For tomorrow we die  
Eat, drink, and be merry

For tomorrow we die

Check 'em out, Boyd, yeah!

Eat, drink, and be merry

For tomorrow we die

Eat, drink, and be merry

For tomorrow we die
