Up and down the puppies' hair
Fleas and ticks jump everywhere
'Cause of original sin

Down the hill fell Jack and Jill
And you came tumbling after
'Cause of original sin

Wipe away the tears
Drink a hope to happy years
And you may find
A lifetime's passed you by

What would you say
Don't drop the big one
If you a monkey on a string
Well Don't cut my life line
If you a doggie on a chain
Don't bite the mailman
What would you say

I was there when the bear
Ate his head, thought it was a candy
Everyone goes in the end

Knock knock on the door
Who's it for, there's nobody in here
Look in the mirror my friend

I don't understand at best
I cannot speak for all the rest
At mornin rise a lifetime's passed me by

What would you say
Don't' drop the big one
If you a monkey on a string
Well Don't cut my life line
If you a doggie on a chain
Don't bite the mailman
What would you say

Every dog has it's day every day has it's way

Of being forgotten - "Mom, it's my birthday!"
Whatd you say (then what could you say)
What would you say

I was there when the bear
Ate his head, thought it was a candy
Everyone goes in the end

Knock knock on the door
Who's it for, there's nobody in here
Look in the mirror my friend

I don't understand at best
I cannot speak for all the rest
At mornin rise a lifetime's passed me by

What would you say?
