Ah When the world ends
Collect your things, youÃ¢â€Œ™ re comin with me
When the world ends
You, tuckle up yourself with me
Watch it as the stars disappear to nothing
The day the world is over oohh
WeÃ¢â€Œ™ ll be lyin in bed...

IÃ¢â€Œ™ ma rock you like a baby when the cities fall
We will rise as the buildings crumble
Float there and watch it all
Amidst the burnin, weÃ¢â€Œ™ ll be churnin
You know love will be our wings
The passion rises up from the ashes
When the world ends

When the world ends
YouÃ¢â€Œ™ re gonna come with me
WeÃ¢â€Œ™ re gonna be crazy like a river bends
WeÃ¢â€Œ™ re gonna float through the crisscross of the
mountains
Watch them fade to nothing
When the world ends
You know...thatÃ¢â€Œ™ s whatÃ¢â€Œ™ s happening
now
IÃ¢â€Œ™ m gon' be there with you somehow, oh..oh

I'ma tie you up like a baby in a carriage car
Your legs donÃ¢â€Œ™ t work cause you want me so
You just lie spread to the wall
The love you got is surely
All the love that I would ever need
IÃ¢â€Œ™ ma take you by my side and love you tall
Ã¢â€Œ™Til the world ends

Oh
But don't you worry bout a thing
No
Cause I got you here with me
Mmmm don't you worry bout aaa....
Just you and me floatinÃ¢â€Œ™ through the empty,
empty

Just you and me
Oh, graces
Oh, grace

Ah, when the world ends
WeÃ¢â€Œ™ ll be burninÃ¢â€Œ™ one
When the world ends
WeÃ¢â€Œ™ ll be sweet makinÃ¢â€Œ™ love

Oh you know when the world ends
IÃ¢â€Œ™ m gonna take you aside and say
Lets watch it fade away, fade away
When the worlds done, ours just begun
Its done, ours just begin

WeÃ¢â€Œ™ re gon' dive into the emptiness
We'll be swimmin
IÃ¢â€Œ™ m gon' walk you through the pathless roads
IÃ¢â€Œ™ m gon' take you to the top of the mountain
thatÃ¢â€Œ™ s no longer there
IÃ¢â€Œ™ m gonna take you to bed and love you, I
swear
Like the end is near
IÃ¢â€Œ™ m gon' take you up to...
IÃ¢â€Œ™ m gon' take it down on you
IÃ¢â€Œ™ m gon' hold you like an angel .. angel
IÃ¢â€Œ™ m gon' love you [2x]
When the world ends
IÃ¢â€Œ™ m gon' hold you
When the world is over, weÃ¢â€Œ™ ll just be begin...
