Where are you going, with your long face pulling
down?

Don't hide away, like an ocean
That you can't see but you can smell
And the sound of waves crash down

I am no superman.
I have no reasons for you
I am no hero, Aww that's for sure
But I do know one thing:
Is where you are is where I belong.
I do know, where you go, is where I wanna be.

Where are you going? Where do you go?
Are you lookin' for answers to questions under the
stars?
Well if along the way you are growin weary, you can
rest with me
Until a brighter day, you're ok.

I am no superman.
I have no answers for you.
I am no hero, aww that's for sure.
But I do know one thing:
Where you are is where I belong.
I do know, where you go, is where I wanna be

Where are you going? Where do you go?
Where do you go? Where are you goin? Where do you
go?
I am no superman.
I have no answers for you
I am no hero, awww that's for sure.
But I do know one thing:
Is where you are is where I belong
I do know, where you go, is where I wanna be.

Where are you goin'? Where do you go?

Tell me where are you going?
Where? Let's go.
