I grew from monkey into man,
Then I crushed 15 million with a wave of my hand.
I grew drunk on water turned into wine,
'Till I was slave and master at the same damn time.

It's why I am.
It's why I am.
Why I am, still here dancing with the GrooGrux King.

Out of my head and into the room hello.
A king of men, it makes no sense.
Oh and I bow to the Priest, while I worship the Witch.

But it's why I am,
Always the only one to make you smile.
Why I am, I'm still a snake in the wood pile.
It's why I am, still here dancing with the GrooGrux King

Out of my head and into the room.
So when my ghost takes me from you.
You can remember the fool that I am.
Don't cry baby,
Don't cry.

It's the lose and the win of the world.
Wrong and right,
Us and them of the world.
It's the you and the me of the world.
But, Only one way out of the world.

It's the lose and the win of the world.
Wrong and right,
Us and them of the world.
It's the you and the me of the world.
Only one way out of the world.

It's why I am, unlikely to agree.
It's why I am, climbin' out of my monkey tree.
Why I am, still here dancing with the GrooGrux King.
We'll be drinking Big Whiskey while we dance and sing.
And when my story ends it's gonna end with him.

Heaven or hell I'm going there with the GrooGrux King.

Why I am, the apple of your pretty eye.
Why I am, a snake in the wood pile.
Why I am, still here dancing with the GrooGrux King.

Out of my head and into the room.
So when my ghost takes me from you.
You can remember the fool that I am.
Don't cry baby,
Don't cry.
