To change the world, start with one step
However small, the first step is hardest of all
Once you get your gait, you'll be walkin' tall
You said you never did, cuz you might die tryin'
Cuz you might die tryin', cuz you...

If you close your eyes cuz the house is on fire
And think you couldn't move until fire dies
The things you never did, oh, cuz you might die tryin'
Cuz you might die tryin', you'd be as good as dead
Cuz you might die tryin', cuz you might die tryin'

(sax solo) I still remember I woke up and all ran away

If you give, you begin to live
If you give, you begin to live
You begin, you get the world
If you give, you begin to live
You get the world, you get the world
If you give, YOU BEGIN TO LIVE, YOU MIGHT DIE TRYIN'
Oh you might die tryin', you might die tryin'
The things you never did, oh cuz you might die tryin'
You'd be as good as dead
The things you never did
