I'm trying to think
Before I speak
But sometimes I think too much and this
Awkward silence needs to be filled up

Boy meets girl
Girl likes boy
Boy acts foolish even more just because
He doesn't want anything to
Go wrong

I want to say
That I don't want to play any games
I just want to hang out
(Hang out)
With you
All day
It's that simple

I wear my heart on my sleeve
I'm not a robot and I can be quite naive

(Let's lay this on the table)

Some days I'm an extrovert
But baby you turn me into an introvert
I'm only acting nervous
'Cause I like you

A mixture of confidence
And insecurity all wash over me
I'm only acting stupid
'Cause I'm scared of losing you

Despite all my
Little hiccups
You're gonna see me again
Maybe you like my stumbles
The way I mumble and shake

I'm gonna make
You an offer

You'll probably refuse
But I've got nothing to lose
Baby you make me sick in the best way
(In the best way)

I could play it cool
But like I said I don'y like to play games
I wont name names but I've done that before and
Someone always gets hurt

Someone always gets hurt
In the pursuit of what it is we all seek

(Yeah)
Some days I'm an extrovert
But baby you turn me into an introvert
I'm only acting nervous
'Cause I like you

A mixture of confidence
And insecurity all wash over me
I'm only acting stupid
'Cause I'm scared of losing you

Before I even had you

Yeah Yeah Yeeeah
Yeah Yeah Yeeeeeaaah
Yeah Yeah Yeeeeeaaah
Yeah Yeah Yeeeeeaaah

Boy meets girl
Girl likes boy
Boy messes it up
Because he cares too much

(Woah)
Some days I'm an extrovert
But baby you turn me into an introvert
I'm only acting nervous
'Cause I like you

A mixture of confidence
And insecurity all wash over me
I'm only acting stupid
'Cause I'm scared of losing you
Before I even had you

Yeah Yeah Yeeeah
Yeah Yeah Yeeeeeaaah
Yeah Yeah Yeeeeeaaah

Yeah Yeah Yeeeeeaaah

Yeah Yeah Yeeeah

Yeah Yeah Yeeeeeaaah

Yeah Yeah Yeeeeeaaah
