I've seen so many mounds of earth  
From all of the holes that you've dug  
Don't let them scare you anymore  
Scared of a tear in the next lane  
Lead your memories astray  
To fit in with the modd on this brand new day

I still see so much beauty in this world  
Don't make a sound, Don't touch the ground  
Thinking positive...  
We still see so much beauty in this world  
Don't make a sound, Don't touch the ground  
Thinking...

Oh the sail's are torn and the rush is gone  
And the sun is reborn, reborn...  
We'll catch the next wave out of this rut  
My blood it pumps harder, becomes the armada  
Nothing will cure it, You've got to endure it

I still see so much beauty in this world  
Don't make a sound, Don't touch the ground  
Thinking positive...  
We still see so much beauty in this world  
Don't make a sound, Don't touch the ground  
Thinking...

Oh the sail's are torn and the rush is gone  
And the sun is reborn, reborn...

Oil, Oil season  
Oil, Oil

I still see so much beauty in this world  
Don't make a sound, Don't touch the ground  
Thinking positive...  
We still see so much beauty in this world  
Don't make a sound, Don't touch the ground  
Thinking...

Oh the sail's are torn and the rush is gone  
And the sun is reborn, reborn...
