Verse 1:

I'm the, temple, architect.
It's up to, me to, complete the project.
And I need to make more money, to do those things
they do.
So I'll just sit here and play sweet music for you.

Chorus 1:

Oh I don't know what to say, she puts me in a good
mood
Oh I don't know what to say, she puts me in a good
mood

Verse 2:

All I, ever, wanted.
Is right here, the horizon, I'll confront it.
I'll journey just to cease my dreams, I'll search for
buried treasure.
But I'll always make sure I come home to you.

Chorus 2:

Oh I don't know what to say, she puts me in a good
mood
Oh I don't know what to say, she puts me in a good
mood
No I don't know what to say, she puts me in a good
mood, a good mood.
Oh I don't know what to say, I don't know what to say, I
don't know what to say, she puts me in a good mood.

Verse 3:

I get nervous when I hold onto my dreams.
I get angry when I say things that I don't mean.
This isn't the last time that I'll pursue this dream, a
dream that is rolled up in a pipe, a scroll I have close to
my heart, a food that is always ripe.
And I will do this 'till I die.

Repeat Chorus 2
