After all you put me through
You'd think I'd despise you
But in the end I want to thank you
Because you made me that much stronger

When I, thought I knew you
Thinking, that you were true
I guess I, I couldn't trust
Called your bluff, time is up
'Cause I've had enough
You were, there by my side
Always, down for the ride
But your, joy ride just came down in flames
'Cause your greed sold me out of shame, mmhmm

After all of the stealing and cheating
You probably think that I hold resentment for you
But, uh uh, oh no, you're wrong
'Cause if it wasn't for all that you tried to do
I wouldn't know just how capable I am to pull through
So I wanna say thank you

'Cause it makes me that much stronger
Makes me work a little bit harder
It makes me that much wiser
So thanks for making me a fighter
Made me learn a little bit faster
Made my skin a little bit thicker
Makes me that much smarter
So thanks for making me a fighter

Ohh, ohh, ohh, ohhhh, ohh-yeah ah uhhhuh

Never, saw it coming
All of, your backstabbing
Just so, you could cash in
On a good thing before I realized your game
I heard, you're going around
Playing the victim now
But don't, even begin
Feeling I'm the one to blame

'Cause you dug your own grave

After all of the fights and the lies
Yes you wanted to harm me but that won't work
anymore

Uh, no more, oh no, it's over

'Cause if it wasn't for all of your torture
I wouldn't know how to be this way now, and never back
down

So I wanna say thank you

'Cause it makes me that much stronger

Makes me work a little bit harder

Makes me that much wiser

So thanks for making me a fighter

Made me learn a little bit faster

Made my skin a little bit thicker

It makes me that much smarter

So thanks for making me a fighter

How could this man I thought I knew

Turn out to be unjust so cruel

Could only see the good in you

Pretended not to see the truth

You tried to hide your lies, disguise yourself

Through living in denial

But in the end you'll see

YOU-WON'T-STOP-ME

I am a fighter and I

I ain't goin' stop

There is no turning back

I've had enough

'Cause it makes me that much stronger

Makes me work a little bit harder

Makes me that much wiser

So thanks for making me a fighter

Made me learn a little bit faster

Made my skin a little bit thicker

It makes me that much smarter

So thanks for making me a fighter

'Cause it makes me that much stronger

Makes me work a little bit harder

Makes me that much wiser

So thanks for making me a fighter

Made me learn a little bit faster

Made my skin a little bit thicker

It makes me that much smarter

So thanks for making me a fighter
