It doesn't hurt me  
Do you wanna feel, how it feels?  
Do you wanna know that it doesn't hurt me?  
Do you wanna hear about the deal I'm makin'?  
You, it's you and me, yeah yeah

And if I only could I'd make a deal with God  
And get him to swap our places  
Be runnin' up that road, be runnin' up that hill  
Be runnin' up that building  
And if I only could

You don't wanna hurt me  
But see, how deep the bullet lies  
Unaware, I'm tearing you asunder  
But there is thunder in our hearts breaking

Is there so much hate for the ones we love?  
Tell me, we both matter, don't we?  
You, it's you and me, yeah, yeah  
It's you and me, won't be unhappy

And if I only could I'd make a deal with God  
I get him to swap our places  
Be runnin' up that road, be runnin' up that hill  
Be runnin' up that building  
And if I only could, and if I only could, yeah yeah, yo

It's you  
It's you and me, yeah, yeah  
It's you and me, won't be unhappy

C'mon, baby, c'mon, darlin'  
Let me steal this moment from you now  
C'mon, angel, c'mon, c'mon, darlin'  
Let's exchange the experience

And if I only could make a deal with God  
I get him to swap our places  
Be runnin' up that road, be runnin' up that hill  
With no problems

And if I only could I'd make a deal with God  
Get him to swap our places  
Be runnin' up that road, be runnin' up that hill  
With no problems

And if I only could make a deal with God  
Get him to swap our places  
Be runnin' up that road, be runnin' up that hill  
With no problems

And if I only could be runnin' up that hill  
With no problems
