I want a house and a car like his,
Don't want to have to wait
I'll have my cake and I'll eat it twice
Yes, I want it on a plate

I want more
I want more

My friends suggested a shopping spree
Would take away the pain
But once I got everything I want
I just want it all over again

Life is a hunt on sunny day
Make a Killing!
Someone else can pay

I want more
I want more

Count your money with a rubber glove
Stare at a queue from a place above
Fine young conservative in love with...

I want more
I want more
I want more
I want more

Now I want more than is enough for here
Not asking for a lot
Just a little
You could be judged on what you want
And not just on what you've got

Life is a hunt on sunny day
Kill, kill!
Someone else can pay

Count your money with a iron glove
Stare at a queue from a place above
I'll be a fine young republican in love with...

I want more
I want more
I want more
I want more
I want more
