Got off the plane at LAX with a clean slate ahead  
No more cardboard girlfriends  
I hope that never happens again  
Maybe I'll run into the real Miley  
The thought of that, it made me kind of smiley  
Let's not be ridiculous  
She's way too famous... KICK IT

I took a walk down the Hollywood Blvd  
To clear my mind and think about where to start  
My life all my dreams and that's when I saw her  
Far and in a blur  
I need to know for sure

So I run up to her  
And to my surprise  
It's a cardboard cut out again  
This can't be happening  
Why is this happening  
I'm not going to lie  
You're looking pretty fine  
No no what am I saying  
Get out of my head Miley

I start run run away everybody's looking at me now  
Like who's that kid that's throwing a fit  
He's pretty weird looking too  
I can't focus with this cardboard all around me  
I see her at every single party  
What do you mean you can't see her?  
Please take this brochure  
I recommend this brochure  
It worked for that guy! LAWLS

I'm done with this  
Get out of my head  
I'm sorry but it's gotta be over  
Goodbye goodbye  
What the beep  
Stop messing with me  
This isn't fun anymore  
Get out of my head Miley.

When I'm playing my XBox There she is.  
When I'm making breakfast. There she is.  
When I'm tryna take a shower. There she is.  
Everywhere I look there she is! Ahh!

HEY DAVE I'm GONNA GET YOU  
Ohhh my goddddd  
Please don't kill me!  
HERE I COME BETTER RUN RUN RUN  
Oh my gododododdd  
Get out of my head Miley!
