If I were a girl even just for a day
I'd roll out of bed in the morning and wonder what just
happened to me.
Oh no don't tell me they're real.
Yeah I think they're real.
Something else is missing
Where the hecks my PEN15!

If I were a girl would I still look like a guy?
No I wont put on make up but I might just want to give
that bra a try.

If I were a girl I could mess with the guys.
No, no not like that I mean
When we get a nice dinner I'll make sure they buy.
I could seduce them.
Show them my nice behind.
Yo Zach check out that A... OMG
Ha gotcha. You totally like guys!

If I were a girl I'd have the nicest legs.
I refuse to cook in the kitchen but I'm pretty dang good
with the microwave.
If I were a girl please don't get mad if I'm mean.
I'm not used to my body this monthly thing is kinda new
to me.

No I don't really know if I want to change back.
Because I like my new hair and the guys love my
FACE whatt!

Oh if I were a girl I don't think I'd ever understand
How it feels to be a girl.
God please change me back to a man!
If I were a girl.
