I messed up but I won't stop now
We will become the greats of the worst mistakes
Won't fail to let you down
We've got plenty of time to figure it out

I'm a mess
I'm a wreck
Worked hard to be
Had enough
Screwed it up
But the blame on me
Doors locked, left the light on in my bedroom
I won't be home tonight

Oh they tried to tell me (wrote it all out)
Their words went through me (fell to the ground)
I must have missed the message (won't let it go)
And fell overboard

I f*cked up but I won't stop now
We will become the greats of the worst mistakes
Won't fail to let you down
We've got plenty of time to figure it out

We're just kids

We're just kids

Waiting for the answers
Holding on to hope
Running out of chances
Won't let it go, won't let it go)

Waiting for the answers
Holding on to hope
Running out of chances
Won't let it go, won't let it go
Won't let it go, won't let it go
Won't let it go, won't let it go

I messed up but I won't stop now
We will become the greats of the worst mistakes

Won't fail to let you down
We've got plenty of time to figure it out

I f*cked up but I won't stop now
We will become the greats of the worst mistakes
Won't fail to let you down
We've got plenty of time to figure it out

F*cked up but I won't stop now
We will become the greats of the worst mistakes
Won't fail to let you down
We've got plenty of time to figure it out

We're just kids
