It started out so simple,  
Just best friends,  
Now here I am alone with you,  
Hoping this night will never end,  
Isn't it funny how,  
Love sneaks up  
Now you're all that I've been  
Dreaming of.

Every little kiss  
Every little touch  
This is not ordinary crush  
I'm fallin'  
Fallin' in love  
There's nothing I can do  
I can't give up  
I've been so emotional  
I'm Fallin' In love  
In Love with you

Maybe I should take it slower  
Maybe I'll let my heart decide  
Cause my world disappears around me  
Whenever you look into my eyes  
It's just a mystery  
I can't explain  
I never thought that I could  
Feel this way

Every little kiss  
Every little touch  
This is not ordinary crush  
I'm fallin'  
Fallin' in love  
There's nothing I can do  
I can't give up  
When I'm with you is dangerous  
I'm fallin' in love  
In love with you...  
Yeah it's true...

You take me places that I've never been

I think it's love that I'm  
Fallin' in...

Every little kiss  
Every little touch  
There's nothing I can do, I can't give up  
I'm Fallin' In love...  
Every little kiss, every little touch,  
This is not ordinary crush  
I'm fallin', fallin' in love

There's nothing I can do, can't give up,  
When I'm with you is dangerous  
I'm fallin' in love  
In love with you (with you...)  
(Every little kiss, every little touch) I'm Fallin' in love...  
(There's nothing I can do, can't give up) I'm fallin' in  
love...  
(Every little kiss, every little touch) I'm fallin' in love...
