Guess this means you're sorry, you're standing at my  
door

Guess this means you take back all you said before  
Like how much you wanted anyone but me  
Said you'd never come back but here you are again

'Cause we belong together now, yeah  
Forever united here somehow, yeah  
You got a piece of me and honestly  
My life would suck without you

Maybe I was stupid for telling you goodbye  
Maybe I was wrong for trying to pick a fight  
I know that I've got issues but you're pretty messed up  
too  
Either way I've found out I'm nothing without you

'Cause we belong together now, yeah  
Forever united here somehow, yeah  
You got a piece of me and honestly  
My life would suck without you

Being with you is so dysfunctional  
Should not I really miss you but I can not let you go, oh  
yeah

'Cause we belong together now, yeah  
Forever united here somehow, yeah  
You got a piece of me and honestly  
My life would suck without you

'Cause we belong together now, yeah  
Forever united here somehow, yeah  
You got a piece of me and honestly  
My life would suck without you
