Please don't stop the music (4x)
I'm making my way over to my favorite place
I gotta get my body moving shake the stress away
It's gettin 'late
I wasn't looking for nobody when you looked my way
Possible candidate (yeah)
Who knew
That you'd be up in here lookin 'like you do
You're makin 'stayin' over here impossible
Baby I must say your aura is incredible
If you don't have to go don't

Do you know what you started
I just came here to party
Acting naughty
But now we're rockin 'on the dance floor
Your hands around my waist
Just let the music play
We're hand in hand
Chest to chest
And now we're face to face

I wanna take you away
Lets escape into the music
DJ let it play
I just can't refuse it
Like the way you do this
Keep on rockin 'to it
Please don't stop the
Please don't stop the music

Lets escape into the music
I wanna take you away
DJ let it play
I just can't refuse it
Like the way you do this
Keep on rockin 'to it
Please don't stop the
Please don't stop the
Please don't stop the music

Baby are you ready cause it's getting close

Don't you feel the passion ready to explode
What goes on between us no one has to know
This is a private show (oh)

Do you know what you started
I just came here to party
But now we're rockin 'on the dance floor
Acting naughty
Your hands around my waist
Just let the music play
We're hand in hand
Chest to chest
And now we're face to face

I wanna take you away
DJ let it play
Let's escape into to music
I just can't refuse it
Like the way you do this
Keep on rockin 'to it
Please don't stop the
Please don't stop the music

I wanna take you away
Lets escape into the music
DJ let it play
I just can't refuse it
Like the way you do this
Keep on rockin 'to it
Please don't stop the
Please don't stop the music
Please don't stop the

Ma ma say, ma ma sa
