I'm just a little bit caught in the middle
I do not know where to go, can not do it alone
I've tried and I do not know why
Life is a maze and love is a riddle

Slow it down, make it stop or else my heart is going to
pop
I'm just a little bit caught in the middle
'Cause it's too much, yeah it's a lot to be something I'm
not
Life is a maze and love is a riddle
I do not know where to go, can not do it alone
I've tried and I do not know why

I'm a fool out of love 'cause I just can not get enough
I'm just a little boy lost in the moment
I'm so scared but I do not show it
I can not figure it out, it's bringing me down

I know I've got to let it go and just enjoy the show
The people follow the signs and synchronize in time
The sun is hot in the sky just like a giant spotlight

It's a joke nobody knows, they've got a ticket to the
show
Life is a maze and love is a riddle
I've tried and I do not know why

Yeah, I'm just a little bit caught in the middle
I do not know where to go, can not do it alone
I'm just a little girl lost in the moment
I can not figure it out, it's bringing me down
I'm so scared but I do not show it
I know I've got to let it go and just enjoy the show

Just enjoy the show
I'm just a little bit caught in the middle
Life is a maze and love is a riddle
I do not know where to go, can not do it alone
I've tried and I do not know why

I'm just a little boy lost in the moment

I'm so scared but I do not show it
I can not figure it out, it's bringing me down
I know I've got to let it go and just enjoy the show

Just enjoy the show, just enjoy the show
I want my money back, I want my money back
I want my money back, I want my money back
I want my money back, just enjoy the show
I want my money back, just enjoy the show
