Out on my window ledge
I don't feel safe
And I stay
Looking down on you

It's out of my hands for now
It's out of my hands for now

I can't just walk away
Be nice to walk away
But I don't feel safe
Get away, all the way up here

It's out of my hands for now
It's out of my hands for now

Oh it is
Down in from here
And down from here
Start to feel insane
Betrayed
Out on my window ledge

Now our finest hour arrives
See the pig dressed in his finest fine
And all that believe stand behind him and smile
As the day lights up with fire

Let me in
Let me in

I start to feel like I'm crazed

Betrayed

Out on my window ledge

Now our finest hour arrives
See the pig dressed in his finest fine
And all the believers stand behind him and smile
Watch the day's lights up with fire

Looking down from here
It's outta my hands for now
Out on my window ledge
It's outta my hands for now
So let me in
Let me in
