"Across The Universe"

Visit "[Across The Universe](#)" on MotoLyrics.com

Words are flowing out like endless rain into a paper
cup
They slither wildly as they slip away
Across the universe
Pools of sorrow, waves of joy are drifting through my
opened mind
Possessing and caressing me

CHORUS 1 (twice)
Nothing's gonna change my world
Nothing's gonna change my world

Images of broken light which dance before me like a
million eyes
They call me on and on
Across the universe
Thoughts meander like the restless wind inside a letter
box
They tumble blindly as they make their way
Across the universe

CHORUS 1 (twice)

Sounds of laughter, shades of life are ringing through
my open ears
Inciting and inviting me
Limitless undying love, which shines around me like a
million suns
It calls me on and on and on
Across the universe

CHORUS 1 (thrice)

CHORUS 2 (twice)
Nothing
Nothing
Nothing
Nothing's gonna
Nothing's gonna to change my world

CHORUS 3

Nothing's gonna change it
Nothing's gonna change it

Hey

CHORUS 3 (twice)

Nothing's gonna change my world

CHORUS 3

Nothing's gonna change my world
