Baby if you ever change your mind
About leaving, leaving me behind
Oh, bring it to me
Bring your sweet lovin'
Bring it on home to me

Yeah, yeah, listen
I gotta be a man to tell ya this
Honey, look, I'll give you jewelry
I'll give you some of that money too
But listen, oh, that ain't all
That ain't all I would do for you
All you gotta do is bring it to me
Bring that good lovin' baby
Bring it on home to me

I gotta tell ya this cuz this is important
Listen to me
Don't you know that I'll always
I'll always be your slave
'Till I'm buried, buried in my grave
While I'm living, bring it to me
Bring that good lovin' baby
Bring it on home to me

One more thing I gotta tell ya
Listen to me right now
You know that I tried to treat you right
What did you do?
Oh you stayed out, you stayed out late at night
I don't care who you was with
Bring it to me
Bring all that good lovin' baby
Bring it on

Everybody's with me
Everybody's with me tonight
Look, listen
Let me hear ya say yeah
Yeah, yeah, you with me?
Yeah, say yeah

Yeah, oh yeah
Oh

Bring it to me
I better leave that alone
And bring it on home to me
Yeah, bring it on home
Bring it on home
Bring it on home
