Well, East coast girls are hip,  
I real-ly dig those styles they wear;

And the South-ern girls with the way they talk,  
They knock me out when I'm down there,

The mid-west farm-ers daugh-ters  
Real-ly make you feel al-right,

And the north=ern girls with the way they kiss  
They keep their boy-friends warm at night.

Chorus:

Girls

[I wish they all could be Cal-i-forn-nia,]

Girls

[I wish they all could be Cal-i-for-nia,]

I wish they all could be Cal-i-for-nia Girls

The West coast has the sun-shine,  
And the girls all get so tanned;

I dig a French bi-ki-ni on Ha-wai-ian is-lands,  
Dolls by a palm tree in the sand,

I been all a-round this great big world,  
And I've seen all kinds of girls,

But I could-n't wait to get back in the states,  
Back to the cut-est girls in the world.

Chorus:

Tag (Ad Lib):

Girls Girls Girls Girls

I dig them - Girls

[I wish they all could be Cal-i-for-nia,]

I dig them - Girls

Girls Girls Girls Girls

[I wish they all could be Cal-i-for-nia,]

I dig them - Girls
