He swivels his head
Tears his eyes from the screen
As his past puts him back in Atlantic City

There's not even a demon in Heaven or Hell
Is it all just human disguise?
As I walk down the aisle

CHORUS

Background vocals
[Gone gone gone spinning slack through reality]
[Dance my way falling up through the years]
[Till I swivel back round when I fly fly fly]
[Losing breath from the water when I'm gone gone gone]

And I'm gone gone gone
Now I'm older than movies
Let me dance away
Now I'm wiser than dreams
Let me fly fly fly
While I'm touching tomorrow
And I know who's there
When silhouettes fall

And I'm gone
Like I'm dancing on angels
And I'm gone through a crack in the past

Like a dead man walking
Like a dead man walking

Three old men dancing under the lamplight
Shaking their sex and their bones
And the boys that we were
An alien nation in therapy
Sliding naked and new
Like a bad tempered child
On a rain slicked street

CHORUS

And I'm gone

And I'm gone, like I'm dancing on angels
And I'm gone, through the crack in the past

Like a dead man walking
Like a dead man walking
Like a dead man
Like a dead man walking

And I'm gone gone gone
Let me dance dance dance
And I'm gone gone gone
Let me dance dance dance

And I'm gone, like I'm dancing on angels
And I'm gone, through a crack in the past
And I'm gone, like I'm dancing on angels
And I'm gone, through a crack in the past

Like a dead man walking
Like a dead man walking
Like a dead man
Like a dead man walking
