Creole Williams lived down a dirt road  
Made homemade wine like nobody I know  
Dropped by one Friday night and said can you help me  
Creole  
Got a little girl waitin' on me and I wanna treat her right

I got what you need son, it's sittin down in the cellar  
He reached through the cobwebs as he turned on the  
light and said

There might be a little dust on the bottle  
But don't let it fool ya about what's inside  
There might be a little dust on the bottle  
It's one of those things that gets sweeter with time

She was sittin in the porch swing as I pulled up the  
driveway  
My ole heart was racing as she climbed inside  
She slid over real close and drove down to the lake  
road  
Watched the sun fade in that big red sky

I reached under the front seat and said, now here's  
something special  
It's just been waiting for a night like tonight

There might be a little dust on the bottle  
But don't let it fool ya about what's inside  
There might be a little dust on the bottle  
It's one of those things that gets sweeter with time

You're still with me, and we've made some memories  
After all these years theres one thing I've found  
Some say good love, well it's like a fine wine  
It keeps getting better as the days go by

There might be a little dust on the bottle  
But don't let it fool ya about what's inside  
There might be a little dust on the bottle

It's one of those things that gets sweeter with time
