Window seat  
30,000 feet  
above the ground  
Blue moon beams  
on silver wings  
brings me down  
Slippin off my coat for the long night flight  
I find a note she wrote last night  
I can almost hear those words  
As I close my eyes

Chorus:  
Goodnight sweetheart  
Sleep tight, wherever you are  
God hold you in His arms  
While we're apart  
Though you're far away  
Your love will stay  
Tucked away here in my heart  
Goodnight sweetheart,  
Sleep tight wherever you are

These days I leave  
The one who needs  
me more and more,  
it seems.  
It's a high price that she pays,  
For the dreams I dream.

So, (Chorus):  
Goodnight sweetheart  
Sleep tight, wherever you are  
God hold you in His arms  
While we're apart  
Though you're far away  
Your love will stay  
Tucked away here in my heart  
Goodnight sweetheart,  
Sleep tight wherever you are

Goodnight sweetheart,

Sleep tight wherever you are
