VERSE (there)

Was she never there/here?

Was she ever?

Was it air she breathed?

At the wrong time

Oh-oh

Oh-oh

All the flowers so

From the gallery

With the hymns of night

Singing "Come to Me"

CHORUS

At the wrong time

On the wrong day

All the lights are fading now

If I'm dreaming all my life (x2 second time)

Just one living chance

When the mother sighs

When the father steps aside

At the wrong time

Oh-oh

VERSE (here)

CHORUS

Was she ever?

Was she ever here?

If I'm dreaming all my life

If I'm dreaming all my life away

Dreaming my life

Dreaming my

Dreaming my

Dreaming my

Dreaming my life

Dreaming my life away

Oh-oh

REPEAT

Dreaming my life

Dreaming my

Dreaming my life away

Oh-oh
