(Terry Burns/Randi Michaels)

There was no moon that night
But the light in your eyes
Pulled at my heart and turned the tide
I was carried away
Now all I do is pray
That someday you'll stay right by my side

But it's out of my hands
I have no control
Of where love will lead us on this winding road
But if I had my way
I'd be your man
I'd give all I have and all I can
So I'm letting go
Cause inside I know
It's out of my hands

In the past I'd hold on
Thinkin I was so strong
Only to find I was so wrong
There ain't a thing I can do
To make you feel this way too
But somehow my heart will carry on

Cause it's out of my hands
I have no control
Of where love will lead us on this winding road
But if I had my way
I'd be your man
I'd give all I have and all I can
So I'm letting go
Cause inside I know
It's out of my hands

Maybe this mystery
Will never be clear to me

It's out of my hands
I have no control

Of where love will lead us on this winding road
But if I had my way
I'd be your man
I'd give all I have and all I can
So I'm letting go
Cause inside I know
It's out of my hands

So I'm letting go
Cause inside I know
It's out of my hands
