I don't want knowledge, I want certainty (x3)

In the street a man shouts out loud
A wallet drops and money flies into the midday sun

With the sound, with the sound, with the sound of the
ground (x3)

Oh I get a little bit afraid
Sometimes

Earthlings on fire (x2)

CHORUS

With the sound, with the sound, with the sound of the
ground (x3)

Sure I get a little bit afraid

Sometimes

Earthlings on fire (x4)

I don't want knowledge, I want certainty (x2)

In a house a man drops dead
As he hits the floor he sighs
"What a morning"

CHORUS (x2)

Sometimes

Earthlings on fire (repeat to last verse as backing
vocals)

Oh I get a little bit afraid
Sometimes

I don't want knowledge, I want certainty (x2)

Oh I get a little bit afraid
Sometimes

I don't want knowledge, I want certainty (x2)
I don't want knowledge
