Well, don't you worry 'bout what's been on my mind
I'm in no hurry I can take my time
I'm going red and my tongue's getting tired
Out of my head and my mouth's getting dry
I'm h-h-h-high

CHORUS

Let's spend the night together
Now I need you more than ever
Let's spend the night together now

I feel so strong that I can't disguise, oh my
Well, I just can't apologise, no
Don't hang me up but don't let me down
We could have fun just by fooling around, and around
and around

CHORUS

Oh
You know I'm smiling baby
You need some guiding baby
I'm just deciding baby

CHORUS

This doesn't happen to me every day
No excuses I've got anyway, heh
I'll satisfy your every need
And I'll know you'll satisfy me, oh my-my-my my-my

THREE TIMES:

Let's spend the night together
Now I need you more than ever

Let's spend the night together
They said we were too young
Our kind of love was no fun
But our love comes from above
Do it!
Let's make love

Hoo!

CHORUS
