Just look through your window, look who sits outside  
Little me is waiting, standing through the night  
When you walk out through your door I'll wave my flag  
and shout

Ohh, beautiful baby  
My burning desire started on Sunday  
Give me your heart and I'll love you till Tuesday

Da da da dum (x4)

Who's that hiding in the apple tree, clinging to a branch  
Don't be afraid it's only me, hoping for a little romance  
If you lie beneath my shade, I'll keep you nice and cool

Ohh, beautiful baby  
I was very lonely till I met you on Sunday  
My passion's never-ending and I'll love you till Tuesday

Da da da dum (x7)

Let the wind blow through your hair, be nice to the big  
blue sea  
Don't be afraid of the man in the moon, because it's  
only me  
I shall always watch you until my love runs dry

Ohh, beautiful baby  
My heart's aflame, I'll love you till Tuesday  
My head's in a whirl and I'll love you till Tuesday  
Love, love, love, love you till Tuesday  
Love, love, love, love you till Tuesday

Da da da dum (x11)

Well, I might stretch it till Wednesday
