Come on strong, girl  
Oh, lay your heavy trip on me  
The church of man, love  
Is such a holy place to be  
Make me, baby  
Make me know you really care  
Make me jump into the air

#### CHORUS

Keep your 'lectric eye on me babe  
Put your ray gun to my head  
Press your space face close to mine, love [oh no]  
Freak out in a moonage daydream, oh yeah!

Oh, right on!  
Come on, you mothers!  
Far out!

Keep your mouth shut  
And listen to the word inside  
Keep your head on  
And open up your eyes real wide  
Keep the change, love  
Let me fix it for you inside  
There isn't any room to hide

#### CHORUS (x2)

Ow!  
Uhhh  
Uhhh  
Uhhh  
Take it all, take it all  
Ahhh!  
Ahhh!  
Pretty  
Uhh (etc...)
