#### Segue 1

Old Touchschriek was the main nameserver  
Suspected of being a shoulder surfer  
But he didn't know from shit  
About challenge response systems  
Now Ramona A Stone we know was selling interest  
drugs  
She got males all hung up on her mind filters  
She was if you don't mine me saying so an update  
demon  
Now Leon  
He couldn't wait for 12 o'clock midnight  
He jumps up on the stage  
With a criss criss machete  
And slashes around cutting a zero on everything  
I mean a zero in the fabric of time itself  
Was this a suspect?  
I says to myself  
Woa! "Quelle courage!"  
Oh wait, I'm getting ahead of myself  
Let me take you back to when it all began

#### Segue 2

Ramona is so cold  
When she broke it off with Leon,  
She said "The ring is enough,  
I don't wanna see this face again"  
Ramona was so cold  
Ramona was so cold
