Please forgive me if I act alittle strange
for I know not what I do
feels like lightning running through my veins
everytime I look at you
everytime I look at you

help me out here all my words are falling short
and there's so much I want to say
want to tell you just how good it feels
when you look at me that way
when you look at me that way

throw a stone and watch the ripples flow
moving out across the bay
like a stone I fall into your eyes
deep into some mystery
deep into that mystery

I got half a mind to scream out loud
I got half a mind to die
so I won't ever have to lose you girl
won't ever have to say goodbye
I won't ever have to lie
won't ever have to say goodbye

Please forgive me if I act alittle strange
for I know not what I do
feels like lightning running through my veins
everytime I look at you
everytime I look at you
everytime I look at you
everytime I look at you
