Stone love - she kneels before the grave
A brave son - who gave his life to see the slogan
That hovers between the headstone and her eyes
For they penetrate her grieving

New love - a boy and girl are talking
New words - that only they can share in
New words - a love so strong it tears their hearts
To sleep - through the fleeting hours of morning
Love is careless in its choosing - sweeping over cross a
baby
Love descends on those defenseless
Idiot love will spark the fusion
Inspirations have I none - just to touch the flaming dove
All I have is my love of love - and love is not loving

Soul love - the priest that tastes the word and
Told of love - and how my God on high is
All love - though reaching up my loneliness evolves
By the blindness that surrounds him

Love is careless in its choosing - sweeping over cross a
baby
Love descends on those defenseless
Idiot love will spark the fusion
Inspirations have I none - just to touch the flaming dove
All I have is my love of love - and love is not loving
