Turn, and turn again  
Turn, and turn again

I shake  
And stare at the sun  
Till my eyes burn

I shake  
At the mothers brutal vermin

I shake  
And stare at the watery moon  
With the same desire  
As the sober Philistine  
I shake

Turn and turn again

Worm, the pain and blade  
Turn and turn again

The screw  
Is a tightening Atrocity

I shake  
For the reeking flesh  
Is as romantic as hell

The need  
To have seen it all

The Voyeur of Utter Destruction  
As beauty  
I shake

Turn and turn again

I shake  
Turn and turn again  
I shake

I shake  
I shake

VERSE (two times)  
Research has pierced  
All extremes of my sex  
Call it a day  
Call it a day  
Needle point life  
Blinds the will to be next  
Call it a day  
Call it a day

Call it a day (repeat ad. inf)  
Today (repeat ad. inf)
