-- Verse 1 --

Seeing you with someone else; it hurts, baby.
Knowing that you're not thinking of me,
I want to be the only one to hold you close,
I want to be the only one you see.

-- Chorus --

Baby I'm in need of you,
Take my hand and we'll see it through
Follow close, show me the light, Baby,
Ooh... Yeah; Walk with me this night.

-- Verse 2 --

You ignore the way i feel; you just dont understand.
The feelings that I have they are so strong.
I never want to hurt you babe; I'll never let you go,
Why do you always say they are so wrong?

-- Chorus --

Baby I'm in need of you,
Take my hand and we'll see it through.
Follow close, show me the light, Baby,
Ooh... Yeah; Walk with me this night.

[INSTRUMENTAL]

-- Bridge --

You can't deny: It feels so right.
You can't deny: I care.
I'll never let these feelings go,
Come on we're almost there;
Whoah, Whoah yeah.

[KEY CHANGE]

-- Chorus --

Baby I'm in need of you,
Take my hand and we'll see it through
Follow close, show me the light, Baby,
Ooh... Yeah; Walk with me this night.

-- Ending --

Ooh... Yeah; Walk with me this night.

Take my hand; Just one last time tonight.

Ooh... Yeah, Walk with me this night.
